Partner [Carol O'Keefe](#) spoke with [Bloomberg Law](#) on a first-of-its-kind ruling by the Fourth Circuit affirming a divestiture order for doormaker Jeld-Wen. The case marked the first time a merger was reversed by a claim brought by a private plaintiff rather than by a government regulator.

O'Keefe notes that the ruling makes claims for injunctive relief in private merger challenges "much more powerful. The availability of this as a private remedy was open to debate, and having a circuit court rule on it is really significant."

Partner [Bob Litan](#) discussed recent market volatility from [#GameStop](#) trading and where the SEC might focus an investigation – such as on hedge funds like Citadel – in an interview with [Compliance Week](#).

“The question for the SEC to answer is whether Citadel knew in advance that Robinhood was going to shut the door and used that knowledge to short the stocks,” Litan said.
